

## Session 3: Love

- 1) What stood out to you from the session?
- 2) Read Romans 12:9-16 again. What commands do you find the easiest to keep? What commands do you find the most challenging? Why?
- 3) How do you react to the call to love your enemy? How have you or how could you actually live that out?

*Pray: Part of having a renewed mind is showing genuine love that overcomes evil with good. Pray for understanding, patience, and power to live that and ask for forgiveness for the times when you have failed to do this.*
